2. The second mandatory meeting is the Annual General Meeting held in June.
3. The third optional meeting is held in January. This is a mid-season meeting to review the budget and discuss upcoming events.

Team Specific Meetings

There are several team meetings that are scheduled throughout the season to review upcoming competitions, team expectations, and any concerns that need to be addressed. Mid-season meetings are scheduled on a one-on-one basis to cover team expectations, training goals, competition highlights, and any concerns that need to be addressed.

Parent/Coach/Swimmer Communication

Team coaches will provide parents with a list of key contacts and an outline of who best to contact for various purposes.

If you require a meeting with any of the Program Staff **please do not interrupt staff during team practices and while on deck.** It is recommended that club members contact a staff member via email and arrange a meeting time either before or after practice.

Absence from Practice

It is important for parents to contact their team coach as soon as possible if their child is not able to attend a practice or competition.

Resolution

If you wish to discuss any concerns regarding Program services the club requires an email be sent to HR@yorksynchro.com and your email will be responded to promptly. If you have a concern regarding athlete performance and progress please defer to our complaint process found on page 28 for proper handling procedures.

This person will also be responsible for creating and maintaining a team contact list and WhatsApp group. The team parent is responsible for all communications to their team. The team parent may also be responsible for organizing meals and accommodation for the team during out-of town competitions.

Website: www.yorksynchro.com

The club mailbox is located at the Stronach Aurora Recreation Complex on the pillar across from the reception desk facing the west side of the building. The mailbox is labeled with our club logo. This mailbox is secure and is to be used to leave fees, fundraising orders and payments (cheques only). Please make sure that the envelope is clearly marked with YASC and the name of the intended recipient.

FINANCE

Membership and Payment Policy

York Artistic Swimming Club is a not-for-profit organization. The goal of YASC is to operate efficiently and with a balanced budget. The club's main sources of income are the annual membership fees, grants, and volunteer participation in Bingo. YASC hosts meets and various other fundraising activities throughout the season.

Annual membership fees (broken down into convenient 10 monthly payments, due at the first of each month during the season, September through June) cover a portion of the expenses incurred for pool space rental, coaching fees and costs related to equipment acquisitions and replacements. The remaining costs are subsidized from club funds.

When you sign up for training with us, with the exception of AquaGo! Programs, you sign up for **the entire 10 months' season, not for a monthly membership**. You cannot cancel the membership during the season.

Additional fees will apply for athletes participating in extra routines including solos, duets, combo or special cases otherwise organized and agreed upon with Coaches and the Board of Directors.

The annual and monthly fees are subject to change every year based on number of swimmer registrations, pool fees and other expenses. Club will publish a fee schedule each year at the beginning of the season.

Changes, Withdrawals and Refunds

Full-season programs: a withdrawal from the full season program can be requested before **November 1**. A request, stating the reason for withdrawal, must be submitted in writing to registrar@yorksynchro.com and finance@yorksynchro.com. Pro-rated refund will be provided for the remaining time, excluding those calendar months when at least one practice was attended (i.e. if the last practice was on October 1st, monthly fees for both September and October will be charged).

After November 1, no refunds will be given except for **medical reasons**, documented by doctor's note clearly stating that the swimmer cannot attend the program for an extended period of time.

Short-term programs (AquaGo!): a withdrawal with a pro-rated refund is possible if request is made before the **third practice** of the program. A request, stating the reason for withdrawal, must be submitted in writing to registrar@yorksynchro.com and finance@yorksynchro.com. Refunds for AquaGo! and other short-term programs will be prorated based on the number of practices remaining after refund was requested.

After the third practice, no refunds will be given except for **medical reasons**, documented by doctor's note clearly stating that the swimmer cannot attend the program for an extended period of time.

Program Changes: All program changes during the season must be approved by the Club's Head Coach. It is important to attend the tryouts and discuss program details before season starts, as program changes will be very difficult to accommodate when season is underway, especially for competitive swimmers, after teams are formed and choreography starts.

Once program change is approved by the Head Coach, swimmers will be billed for the difference in program fees, or provided credit in case of lower fees, starting on next month from the time of request (e.g. if a change from Regional to Provincial is approved on October 5th, swimmer will pay Regional fees in September and October and will start paying Provincial fees from November).

Other provisions:

No refunds will be given if withdrawal is associated with discipline or complaint process, or unwillingness to follow any government, safety, public health or OAS regulation or policy.

In the case your refund or program change is not approved, an appeal can be made to the Board of Directors. The Board of Directors' decision is final.

Payment Schedule for the Season

Recreational Swimmers: Full Payment is due for AquaGo! Program at registration, either by cheque or e-transfer

All Competitive and Pre-Competitive Programs (including full year Fridays training): We offer a convenient monthly payment plan with 10 payments, due on the first day of each month, September through June.

Payments may be made by:

- One payment for the entire annual amount (monthly payment multiplied by ten), made prior to the first day of training, via check or eTransfer.

- 10 post-dated checks for Sept 1, Oct 1, Nov 1 June 1. Checks can be sent to the club's mailing address, or you can contact Finance@yorksynchrono.com for another arrangement.
- 10 Interac eTransfers to Finance@yorksynchrono.com, on Sept 1, Oct 1, Nov 1.. June 1.

Checks should be written to “**York Artistic Swimming Club**”.

Uniform and Routine Suits: payment is arranged at the time of order.

Equipment: Payment is due upon receipt via e transfer or check.

Solos, Duets: Payment is due in full upon receipt of an invoice.

Other Provisions

Any outstanding fees from previous seasons must be paid in full before registering for the upcoming season.

Members joining the program late, but **before November 1**, will pay monthly fees for the entire season (10 months). Members joining the program **after November 1** will pay the monthly fee starting with the month they joined.

Meet fees for **mandatory competitions** are fully included in your program fees, **with the exception of coaches’ travel expenses for out-of-town meets**. Those will be billed separately, along with meet fees for optional competitions your athlete may decide to participate in.

Fundraising programs will be closed by the end of May and final amounts will be applied to June 1 payment.

Force majeure

In the case the Club is not able to offer training due to circumstances well beyond its control, such as, but not limited to, natural disasters, riots, epidemics, states of emergency, onerous and unexpected government regulations, etc, all the fees are still due to the Club, and the Club will not assume liabilities for the non-performance of the contractual duties.

- In the case of short term disruption (less than a month), there will be no refunds issued.
- In the case of long-term disruption (over a month, or the entire season is cancelled), the Club **may** issue refunds, **if approved by the Board**, at the end of the season, but only if the budget for the year would otherwise show a profit due to lowered expenses.

Mandated Health and Safety regulations

The Club may impose, during the training season, additional Health and Safety regulations, including but not limited to vaccination policies, capacity limits, mask policies and other similar regulations, **if required to do so by government authorities**. If a Member does not agree to abide by such government-mandated regulation or policy, and wishes to withdraw, **all the fees for the season are still due to the Club**. Partial, pro-rated refund may be given only after

Board approval. The Club will not assume liabilities for the non-performance of the contractual duties if the Member wishes to withdraw due to imposition of the government-mandated health and safety policies.

Member Referrals

Members who refer new members to the Club will receive **\$200 (TWO HUNDRED DOLLARS)** credit on their account, if the new member registers for a full season to any program. New members are those who never have been enrolled in the Club, and whose immediate family members have never been enrolled in the club.

Loyalty Bonus for 2021-22 training season

Members who attended and fully paid for any program at the club for 2020-21 training season, and who registered for any **competitive program**, and submitted at least **two** monthly payments towards 2021-2022 training season, are entitled to 10% (TEN PERCENT) discount of their 2021-22 program fees.

NSF Cheques and late payments

An NSF fee of **\$25.00 (TWENTY FIVE DOLLARS)** will be added to an account for each dishonored check.

A late payment fee of **\$25.00 (TWENTY FIVE DOLLARS)** will be added to an account if the monthly payment, or any other required payment, is over 10 days late. For example, if monthly payment is due December 1, a late payment fee will be added on December 11 and an invoice will be mailed to the Member.

Members who are consistently late making payments will not be allowed to go on deck after two warnings. All outstanding balances must be paid in full before the member is allowed back on deck.

Honorary Members

Fees for Honorary Members of the Club are set to zero.

FUNDRAISING

Fundraising is an inherent part of the revenue base of York Artistic Swimming Club in order to help keep club costs as low as possible and offset member program fees.

Club Based Fundraising

This type of fundraising benefits the whole club directly. Some of these fundraisers are mandatory.

Examples of club-based fundraisers are:

- BINGO
- Hosting competitions
- Hosting an invitational meet

Bingo

Bingo is one of our most important sources of financial support. This money goes directly to subsidising fees and other expenses.

We are responsible for 48 Friday night sessions between January through to December. Each session requires 2 members of our club to be at the Bingo hall to be a greeter from 6:00-9:00 or 9:00-12:00 am. Volunteers are asked to do 1 Session every 4-6 weeks. YASC requires up to 20 trained volunteers.

Bingo World
1230 Kerrisdale,
Newmarket, ON
L3Y 7V1
905-836-4861

Mandatory Training Session for Bingo Volunteers

In order to be a Bingo Volunteer you must be trained by the OLG. If you are interested in volunteering for Bingo please sign up to the Bingo Committee on registration day or contact fundraising@yorksynchro.com

Hosting an Invitational Meet

Hosting an invitational meet is another great source of earning funds for the club. If York Artistic Swimming Club is awarded an opportunity to host a meet during the season, the club will require a large number of volunteers. Each family will be required to contribute time towards the operational success of a YASC hosted meet over and above their volunteer committee commitment. The schedule for volunteers will be distributed once Ontario Artistic Swimming posts the final competition schedule. YASC will host no more than one (1) meet per season.

Swimmer Based Fundraising

All competitive members may participate in fundraising programs below to offset some portion of the fees.

Fundraising is now optional and you can fundraise as much or as little as you like to help offset program fees.

Fundraising for the season will be closed off in May and fundraising amounts will be applied to the June 1 monthly payment. If the proceeds exceed the payment, a refund will be issued to the Member.

Examples of Swimmer-Based Fundraisers are:

- FlipGive
- FundScrip
- Shop and Save Gift Cards
- Chicken on the Run- Fresh and frozen Chicken and boxed meat. (4 times a season)
- MacGregor Meats- Quality frozen beef, chicken, pork and boxed meals (twice a year)
- MacMillians
- Mom's Pantry
- and more....

Sponsorship & Grants

YASC welcomes and actively pursues grants and sponsorships to help market and promote the club and secure financial means that provides assistance with items like uniforms, travel expenses, proper equipment etc.

Any member who is interested in a sponsorship with York Artistic Swimming Club or helping the club connect with a potential sponsor may contact communications@yorksynchro.com.

Honorary Members

Honorary Members of the Club are not required to fulfill fundraising obligations.

VOLUNTEER COMMITMENT

York Artistic Swimming Club (YASC) is a not for profit organization that relies primarily on volunteers to successfully operate the club. The club is unable to sustain success without the generosity and commitment of many parent volunteers. The Club will strive to offer everyone all reasonable accommodations for a volunteering position, as required by the Ontario Human Rights Code.

At the time of registration all members will be required to enlist in one of our volunteer Club Committees. Committees are an essential tool for the effective and efficient functioning of the York Artistic Swimming Club. Committees receive delegation of a specific issue or area of responsibility from the board. The committee generally assumes responsibility for seeking and reviewing information, forming an opinion and making a recommendation to the board and following through to complete the task.

YASC Committees for 2020-2021 season:

- Bingo Committee

- Communications Committee
- Competitions Committee
- Fundraising Committee
- Events Committee (if applicable/needed)

Member Commitment

Members can choose from a variety of committees that are best suited to personal interest and skill set. Each committee role will require approximately 10 hours of volunteer time. If a member has not selected a committee, a swimmer's family may be assigned a committee position at the beginning of the season. Please sign up for your desired committee role at registration through the sign up genius web portal.

Anyone wishing to opt-out of volunteering with one of the club's committees may do so at the time of registration. An Opt-out fee of \$500.00 will be collected at registration. If at the end of the year a member did not fulfill the volunteer commitment at the opinion of the Chair of the committee they signed up to, a fee of \$500 will be applied to the members final statement.

Board Members' Volunteer Commitment

Members of the Board of Directors of the Club perform their duties as volunteers without compensation. As such, their volunteer commitment for the season is fulfilled, if the following conditions are satisfied:

- They are on the Board for at least half of the fiscal year in question.
- They attend at least 75% of the Board meetings during the period of the season when they are on the Board.
- They perform all the duties associated with their Board position, as determined by the Board at the start of the season, or as may be assigned by the Board from time to time, to the full satisfaction of the Board.

At the end of the season, the Board may hold a vote to impose a \$500 Opt-out fee on Board member, if the Board member did not fulfill all the conditions above.

Employees of the Club

Members who are paid employees of the Club must still fulfill their volunteer commitment.

Appeals and Exemptions

Requests to appeal decisions of the Chairs of the Volunteer Committees, and requests for exemptions from Volunteer commitment, should be submitted in writing to the Board or Directors. Exemptions from volunteer commitment will only be granted in extraordinary circumstances (disability, compelling personal reasons, Human Rights grounds, etc.).

Hosting a Meet

If York Artistic Swimming Club is awarded an opportunity to host a meet during the season a large number of volunteers will be required to support the event. It is necessary and expected that all competitive members will contribute additional volunteer time towards the successful operations of hosting a meet. The agenda for volunteers will be distributed once Ontario Artistic Swimming posts the final competition schedule. YASC will host no more than one (1) meet per season.

If you are unable to meet this commitment it is the family's responsibility to find a replacement.

Mandatory Volunteering for Annual Hilton Meet

This event is a mandatory volunteer requirement for all Provincial families attending the Hilton Meet. Provincial members are expected to select a volunteer role they can commit to during the meet. It is mandated by Ontario Artistic Swimming (OAS) that York Artistic Swimming Club fill a specific number of volunteer spots. **If our club does not fulfill this commitment, the club will be fined by OAS. This fine will be charged back to any of the families of athletes in attendance that did not fulfil their volunteer role.** Dates for this event will be provided on the volunteer consent form. A schedule will be sent out ahead of time for you to choose a volunteer role that best suits your family.

Note: There is no option to opt-out of volunteering from the Hilton Meet hosted by OAS for Provincial swimmer parents. If a member is unable to fulfill this requirement it is the members responsibility to find a friend or family member to take this spot.

Honorary Members

Honorary Members of the Club are not required to fulfill volunteer commitment.

PROGRAM POLICIES

YASC CLUB EVENTS

Standard club events and general timing include the Christmas Watershow in December, the club watershow in May and the end of season club Banquet typically held in June.

TEAMS

It is essential that competitive athletes make every effort to be present during the team selection process. Teams are selected solely by the Program Director in consultation with the Program

Coordinators and Team Coaches. Program staff will establish teams based on Ontario Artistic Swimming rules with consideration of age, skill sets, strengths, experience, common goals and commitment to the sport. For returning athletes, the coaches will also consider results from the previous season. Parents and athletes are not to be involved in this process. Team selection is usually finalized in the month of September. Teams are typically announced by the end of September and team routines are generally set by late October.

Athletes that may require special arrangements to be made to the regular program schedule can contact the Program Coordinator and Program Director to submit a request.

ALTERNATES

In some cases our teams, duets, trios or free combinations may require an alternate(s). "Alternate" means a competitor who is designated to replace a member of a duet, team, or free combination. A duet may have one alternate, a trio may have one alternate, and a team/free combination may have a maximum of two alternates. The alternate practices with the team/duet/trio but does not swim in formation with the team and will swim as a back-up swimmer during competitions. The alternate will generally practice several positions in the team/trio/duet formation so that they are prepared to replace a member if needed. During competitions, if the alternate is not replacing a member, the alternate is still expected to attend the competition fully dressed and gelled and will be on deck to support their team/trio/duet. An alternate is chosen by the Team Coach/Program Coordinator/Program Director.

EXTRA ROUTINES

Team comes first. Solos and duets are secondary and considered extra routines in that they require additional practice time separate from their team routine. The ability to accommodate requests for additional routines is subject to factors including, but not limited to, the availability of coaches and pool time. Athletes interested in additional competitive routines should indicate their interest at the time of registration.

Program Director, Coordinators & Coaches will assess athletes during the team selection process to determine if extra routines are appropriate and to identify suitable partners or teammates. Selected swimmers will be asked by the end of September if they would like to participate in an extra routine. Training for extra routines will commence early October. Extra routines require additional weekly practice time (approx 1-2 hours per week) outside of team practice time. All athletes who are selected for extra routines will be called to a meeting with the parents, Program Coordinator and/or Program Director to discuss expectations and training schedule. A consent form with terms and conditions will be required from parents before practices can begin.

Additional fees apply to all members for each extra routine they participate in (please see club fee structure for details). On the occasion that an athlete is registered for a team program that

does not have enough participants to form a team, the swimmer(s) may do a solo or duet as part of their artistic swimming program and not be considered to be participating in an “extra routine”.

All extra routines will be re-evaluated by the Program Coordinator/Director in December. If the Program Coordinator/Director feels that there is a lack of commitment on the part of the swimmer(s), or if other issues have arisen, the Program Coordinator/Director may decide not to continue with the extra routine. If this is the case, payment for extra routines would be discontinued after December 31. If full payment for extra routine has already been made a prorated refund will be issued.

HIGH PERFORMANCE

At the start of the season or as information becomes available, we will share any opportunities for HP or other similar programming, as well as the for selection criteria.

Interested athletes can reach out to coaches, and coaches can reach out to athletes they think would be successful.

ATTENDANCE & PUNCTUALITY

All swimmers must arrive to practice 15 minutes prior to the start time to ensure they are ready to get started on time.

Attendance and punctuality are extremely important in a team sport like artistic swimming. The swimmer should clearly understand the commitment to the team, coach, and club before the season starts. Attendance at all practices is compulsory unless the athlete’s illness or injury is contagious or debilitating. With minor ailments (i.e. cold), it is expected that athlete’s will still attend practice and participate as much as possible or watch from the deck.

It is important to note that during the competition season (January to May), the highest degree of attendance and focus is necessary. The progress of the team depends on the regular attendance of every swimmer.

Absences and arriving late affect the entire team. If a swimmer must miss or arrive late for a scheduled practice, the Team Coach must be notified by text or email as soon as possible. This allows preparation time for the Coach to organize the practice for the least amount of disruptions.

Parents of swimmers with more than two absences or consistent late arrivals (more than 15 minutes) within a one month period will be contacted, and a parent/coach meeting will be arranged where the swimmer's commitment and the Coach's expectations of the swimmer will be discussed. If absences or late arrivals continue, the athlete's status with the team will be reevaluated and a course of action will be determined by Program Staff and the Training and Development Committee that reflects the interests of the whole team.

Black out Period

Since attendance during the competition season is so important, it is expected that 2 weeks before a competition athlete on the team cannot miss a single practice. A doctor's note may be requested if an athlete misses a practice within this period, it is up to the Team Coach, Program Coordinator and the Program Director to decide if the athlete shall become an alternate on the team for the next competition.

VACATION AND EXTENDED ABSENCES

Parents are encouraged to schedule vacations at times when swimmers do not have scheduled practices (for example, Winter holidays and March Break). COMPLAINT PROCESS

As part of its commitment to maintaining a safe, respectful and positive environment, York Artistic Swimming Club has adopted the following formal complaints and discipline process for violators of Code of Conduct, Policies, or By-Laws. Following this process is not a prerequisite for launching a complaint under OAS conduct policy, but Members and Employees of the club are nevertheless encouraged to try to resolve issues within the Club first, to ensure speedier and more effective resolution.

1. Swimmers and their Parents should meet with the Team Coach and Program Coordinator first to discuss their concerns with coaching, program requirements, conduct of competitions, etc. Swimmers, Parents, Team Coaches and Program Coordinators are encouraged to discuss and try to resolve the issue(s) informally.
2. If Swimmer or Parents believe that the issue has not been resolved, the next step in the process is emailing the Program Director. The Program Director will investigate the complaint, meet separately with Swimmer and/or Parents, Program Coordinator, and the Team Coach, and attempt to resolve the issue.
3. If Swimmer or Parents discussed the issue with a Program Director, and believe their issues are still not resolved, or their complaint is against a Program Coordinator or Director, they have the option of filing the complaint, in writing, with the Board of Directors.

4. Team Coaches or the Program Coordinator, having issues with Swimmer behavior, should try to resolve those first with the Swimmer or swimmer's Parents. Behaviour must be discussed with Parents - it is not acceptable to physically discipline swimmers, or remove swimmers under 16 years of age from the pool unless Parents are contacted.
5. If Swimmer's behavioral issues continue, and at least two attempts were made to discuss those issues with Swimmer and/or Parents, Team Coach, Program Coordinator or Program Director should bring a written complaint to the Board against the Member.
6. Member complaints against other Members, club employees or Board members that are unrelated to training or competitions must be brought directly to the Board in writing.
7. The Board must investigate and resolve all written complaints within 30 days. The Board may impose any sanctions as described in the 'Discipline' section below. The decision will be issued in writing to all involved parties; it will be final and there is no appeal process within the Club.

CONFIDENTIALITY

All York Artistic Swimming Club members are expected to practice confidentiality. Meetings and conversations between Board and Program Staff and/or Program Staff and Parents are expected to remain confidential and not be discussed with uninvolved parties. Failure to do so will result in disciplinary action as determined by the Board of Directors and Ontario Artistic Swimming.

BULLYING

York Artistic Swimming Club has a zero tolerance policy for bullying. If a bullying complaint is presented to the Board of Directors or Ontario Artistic Swimming, an investigation will take place. If there is evidence of bullying, immediate disciplinary action will be taken. This includes but is not limited to physical, verbal, psychological, or even cyber bullying.

DISCIPLINE

Any York Artistic Swimming Club member, Parent, Team Coach, or Program Coordinator found in violation of the Policy & Procedures, Code of Conduct and or Constitution & By-Laws will be held accountable for their actions.

Complaint process may lead to the following actions being taken by the Board:

- A verbal warning, against a Swimmer, Parent, Employee, or Board Member.
- A written warning, against a Swimmer, Parent, Employee, or Board Member.
- Suspension of Membership, or expulsion from Club, against Swimmer / Member, as provided by Section 2.7 of the Club's By-Laws.

SOCIAL MEDIA GUIDELINES FOR ATHLETES

Training and competing for York Artistic Swimming Club (YASC) is a privilege. Athletes and members of YASC are held in the highest regard and are seen as role models in the community. As leaders you have the responsibility to portray your team, your club and yourself in a positive manner at all times. Sometimes this means doing things that are an inconvenience to you, but benefit the whole team.

Facebook, Twitter, Instagram and all other social media sites have increased in popularity globally, and are used by the majority of YASC athletes in one form or another.

Athletes should be aware that third parties, including the Program staff, parents, Ontario Artistic Swimming, Canada Artistic Swimming, officials and even prospective employers could easily access your profiles and view all personal information. This includes all pictures, videos, comments and other posts.

Inappropriate material found by third parties affects the perception of the athlete, their teammates, and ultimately the club as a whole. This can also be detrimental to a teams performance and perception, and negatively affect the athletes future endeavours both inside and outside the pool.

Examples of inappropriate and offensive behaviours concerning participation in online communities may include depictions or presentations of the following:

- Photos, videos, comments or posters showing the personal use of alcohol, drugs and tobacco and marijuana by minors e.g. no holding cups, cans, shot glasses etc.
- Photos , videos and comments that are of a sexual nature. This includes links to websites of a pornographic nature and other inappropriate material.
- Photos, videos, comments or posters that condone drug-related activity. This includes but is not limited to images that portray the personal use of marijuana and drug paraphernalia.

- Content online that is unsportsmanlike, derogatory, demeaning or threatening towards any other individual or entity (examples: derogatory comments regarding another club; taunting comments aimed at an athlete, coach or team at another club and derogatory against race and/or gender). No posts should depict or encourage unacceptable, violent or illegal activities (examples: hazing, sexual harassment/assault, gambling, discrimination, fighting, vandalism, academic dishonesty, under-age drinking, drug use).
- Information that is sensitive or personal in nature or is proprietary to YASC which is not public information (examples: tentative or future team schedules, athlete injuries, travel plans/itineraries or information).

If an athlete's profile and its contents are found to be inappropriate in accordance with the above behaviours they will be subject to the following penalties:

- Written warning
- A meeting with the Team Coach, Program Coordinator and Program Director
- A meeting with the YASC Board of Directors
- Penalties as determined by the Program staff and the YASC Board of Directors, including but not limited to possible suspension from their team

For your own safety, please keep the following recommendations in mind as you participate in social media websites:

- Set your security settings so that only your friends can view your profile.
- You should not post your email, home address, local address, telephone numbers, or other personal information as it could lead to unwanted attention, stalking, identity theft, etc.
- Be aware of who you add as friends to your site - people may be looking to take advantage of athletes.
- Consider how the above behaviours can be reflected in all social media applications.

If you are ever in doubt of the appropriateness of your online public material, consider whether it upholds and positively reflects your own values and ethics as well as YASC. Remember, always present a positive image and don't do anything that may embarrass yourself, the team, your family or the club.

Parents and swimmers must sign and return a signed copy of the Social Media Guidelines prior to the child commencing the season.

SOCIAL MEDIA GUIDELINES FOR COACHES

The following guidelines should be used by coaches to inform their own strategy for social media use:

1. Coaches may not demand access to an athlete's private posts on Instagram, Twitter or Facebook or any and all other social media platforms
2. Do not "friend" athletes on Instagram, Facebook or any and all social media unless they request the connection. Never pressure athletes to "friend or follow" you

5. Consider monitoring or being generally aware of athletes' public social media behaviour to ensure compliance with York Artistic Swimming Clubs Code of Conduct and Ethics

7. Seek permission from athletes or guardian (for athletes under the age of 17) before posting pictures or videos of the athletes on publicly available social media like a blog or on YouTube
8. Do not use social media to 'trap' athletes if they say one thing to you in person but their social media activity reveals they were doing something different
9. Keep selection decisions and other official team business off social media
10. Never require athletes to join Instagram, Facebook, join a Facebook group, subscribe to a Twitter feed, or join a Facebook fan page about your team or organization
11. If you create a fan page on Facebook for your team or athlete, do not make this social media site the exclusive location for important information. Duplicate important information in more official channels (like on a website or via email)
12. Ensure that parents are aware that some coach-athlete interactions may take place on Facebook
13. Exercise appropriate discretion when using social media for your own personal communications (with friends, colleagues, and other athletes) with the knowledge that your behaviour may be used as a model by your athletes
14. Avoid association with Instagram, Facebook groups or Twitter feeds with explicit sexual contact or viewpoints that might offend or compromise the coach-athlete relationship

Canadian Sport Helpline

The Helpline has been available since March 11, 2019 and is run in partnership with the Canadian Centre for Mental Health in Sport. The number is 1-888-83SPORT or 1-888-837-7678 and also accepts text messages. The Helpline is staffed from 8:00am to 8:00pm ET seven days a week. Alternatively, individuals can go online at <http://abuse-free-sport.ca> to chat with a live operator during those hours or send an email to info@abuse-free-sport.ca.

The Helpline is available to victims and witnesses of incidents of harassment, abuse or discrimination in sport. It does not deal with the complaints or allegations itself. Rather, its purpose is twofold: (i) to listen, ask questions and advise; and (ii) to act as a referral service. In dire situations including those that present an immediate danger, the caller will be connected to 9-1-1, suicide prevention services or child protective services, as appropriate. Underage callers may also be directed to the Kids Help Phone Line. Those situations that fall under the purview of an NSO will be directed to their designated "Safe Sport Officer," which is an independent, third party assigned by the NSO to receive referrals on its behalf. Similarly, those situations that fall under the purview of a provincial sport organization (PSO) and its affiliated clubs would be directed to the designated PSO Safe Sport Officer.
